

2017 CARNIVALS FOR KIDS

Hosted at Children's Hospital by Nebraska Credit Unions

Nothing brings a smile to a child's face more than a carnival -- and making children smile is what Credit Unions for Kids is all about.

Nebraska credit unions will host three carnivals in 2017. The events are held in the Children's Hospital lobby for the children staying at the hospital or simply coming in to any of these outpatient care clinics. Their siblings are also welcome to attend.

The carnival games, prizes, activities and crafts allow kids to be kids for a brief period of time about their illness and treatment. The carnivals also give credit unions another way to give back to their community and provide credit union volunteers a chance to see first hand what our fundraising efforts are supporting.

YOUR CREDIT UNION CAN GET INVOLVED

To make these events happen, donations of \$300 and 10-12 volunteers are needed for each event. That's where your credit union can come in. Make these carnivals part of your credit union's community involvement activities by making a financial donation towards the costs of the event or by providing volunteers. Choose to sponsor an entire event or donate what you can and your credit union will be partnered with other credit unions to host an event.

All carnivals are held from 10:30 - 11:30 a.m. in the lobby of Children's Hospital at 8301 West Dodge Road. Volunteers will need to arrive by 10:15 a.m. and be finished at 11:45 p.m. Credit Unions for Kids T-shirts will be provided for any volunteers who do not have one.

Please consider helping to make Carnivals for Kids a reality and together we can continue to make a difference in the lives of Nebraska's Children.
